## SYNOPSIS OF TOWN MEETING 1992

TOTAL NAMES OF CHECKLIST: 956

TOTAL BALLOTS CAST: 363

The meeting was called to order at 10:07 A.M. by Robert Taft, Moderator. Mr. Taft led the participants in the pledge of allegiance to our flag. Mr. Taft then read the results of the elections of March 14, 1992. They are as follows:

Selectman for three years

George P. Alix 201 votes \*declared winner

Lawrence Kelley 159 votes

Selectman for one year

Mary E. Pelletier 338 votes \*declared winner

Treasurer for one year

Richard S. Eaton 336 votes \*declared winner

Library Trustee for three years

Charles Beaulieu 241 votes \*declared winner

Nancy Beringer 284 votes \*declared winner

Richard Reed 241 votes \*declared winner

Library Trustee for two years

Yvonne E. Bourgeois 330 votes \*declared winner

Trustee of Trust funds for three years

Alina G. Alix 333 votes \*declared winner

Auditor for one year

No winners were declared and the selectmen were directed to look in to the appointments to this office

Fireward for three years

Peter A. Vaillancourt 334 votes \*declared winner

Moderator for one year

Robert Taft 336 votes \*declared winner by clerk

Supervisor of The Checklist for six years  
Shirley Enright            333 votes \*declared winner

The newly elected officials were sworn in by the Town Clerk, Kathleen Valliere.

The Warrant was read by the Moderator and the following articles were acted upon as follows:

Article 1. Motion was made by Mary Pelletier and seconded by Ted deWinter and voted in the affirmative to elect Charles Buttrick and David Bourgault Surveyors of Wood and Lumber and Public Weighers.

Article 2. Motion was made by Ted deWinter and seconded by George Alix and amended by David Bourgault and seconded by Mr. deWinter and voted in the affirmative to amend the Fire Department line item from \$28,725 to \$30,725 an increase of \$2000 to replace overhead doors at the Fire Station, amended by James Giddings and seconded by Dorothy Tuttle and voted in the affirmative to amend section G changing the line item for the Chamberlin Library from \$51,277 to \$53,888 raising the total amount for section G by \$2611, amended by Mary Pelletier and seconded by Dorothy Tuttle and voted in the affirmative to delete the amount of \$2137 for Regional Association, amending the total operating budget to \$857,624. THEREFORE, the sum of Eight hundred fifty seven thousand six hundred twenty-four dollars (\$857,624) was voted in the affirmative as amended to raise and appropriate such sum as may be necessary to defray the town charges and make appropriations of the same. A motion was made by Bruce Wheeler and seconded by Mr. deWinter and voted in the affirmative to direct the Selectmen to add a line item to next years budget which shows the money that shall be placed in the Expandable Trust Fund and to include money that will cover any obligation which may have occurred in year 1991 and 1992.

Article 3. Motion made by Larry Kelley and seconded by Mr. deWinter and voted in the affirmative to raise and appropriate the sum of One Hundred eight thousand, six hundred, seven dollars (\$108,607.00) for the water department.

Article 4. Motion made by Mr. deWinter and seconded by Mr. Kelley and voted in the affirmative to raise and appropriate the sum of One hundred eleven thousand, nine hundred twenty dollars (\$111,920.00) for the sewer department.

Article 5. Motion made by Mary Pelletier and seconded by Mr. Alix and voted in the affirmative to accept reports of Auditors, Agents, Committees, Officers, heretofore chosen.

Article 6. Motion made by James Hartley and seconded by Mr. Wheeler and voted in the affirmative to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes.

Article 7. Motion made by Mr. Hartley and seconded by Mr. Wheeler and voted in the affirmative to give the Selectmen full discretion to dispose of real property which has been acquired by Tax Title as long as abutting land owners are notified of the sale.

Article 8. Motion made by Mr. Hartley and seconded by Mr. Kelley and voted in the affirmative to authorize the Selectmen to accept and spend any State and/or Federal Funds that may become available to use by the Town.

Article 9. Motion made by Mr. Hartley and seconded by Mr. Wheeler and voted in the affirmative to raise and appropriate the sum not to exceed \$20,000 for the purchase of a used dump truck, ten thousand dollars (\$10,000) of such sum to be withdrawn from the Public Works Equipment Capital Reserve Fund.

Article 10. Motion made by Mr. Hartley and seconded by Mr. Kelley and amended by Mr. Wheeler and seconded by Mr. Greg Thibeau and voted in the affirmative as amended to raise and appropriate the sum thirty-five hundred dollars (\$3500) to rebuild sidewalks along Main Street and Dunster Ave; such sum to be withdrawn from the Sidewalk Reconstruction Capital Reserve Fund.

Article 11. Motion made by Mr. Hartley and seconded by Mr. deWinter and voted in the affirmative to raise and appropriate the sum of Five thousand dollars (\$5000) to be transferred to the Loader/Backhoe capital Reserve Account.

Article 12. Motion made by Mr. Hartley and seconded by Mr. deWinter and voted in the affirmative to raise and appropriate the sum of Twenty thousand dollars (\$20,000) to repave Kimball Heights, Dunster Hill, Ash Street, and Ice Street in this order.

Article 13. Motion made by Mrs. Pelletier and seconded by Mr. Bob McCreery and voted in the affirmative to raise and appropriate the sum of Ten Thousand dollars (\$10,000) to be added to the Capital Reserve Fund established for the purpose of rebuilding the bath house at the pool.

Article 14. Motion made by Mr. Hartley and seconded by Mr. Kelley and voted in the affirmative to eliminate the positions of Town elected auditors in March of 1993 with the understanding that the Town will hire outside public accountants under RSA 41:31.

Article 15. Motion made by Mr. Hartley and seconded by Mr. Kelley and voted in the affirmative to raise and appropriate the sum of Five thousand, six hundred dollars (\$5600) for the purpose of hiring a professional auditing firm to audit the 1991 town records.

Article 16. Motion made by Mr. Phil Alix and seconded by Mr. deWinter and voted in the affirmative to appropriate Thirty-nine hundred dollars (\$3900) to be taken from the Water Department for an engineering study on upgrading the filtration system at the water treatment plant in Temple.

Article 17. An amended motion was made by Laurie McGowan and seconded by Joan MacPhee and voted in the negative that we raise and appropriate a sum not to exceed Four thousand dollars for the purpose of recreating a park at the intersection of Main, Temple, and High Streets of which \$1300 to be transferred from the Myrtle Marsh Village Improvement Fund. Because of the many questions and concerns, the Moderator directed the voters to reconsider the vote and if the Article was defeated he would entertain the Motion made by Mrs. Pelletier to recess the meeting to May 2, 1992. The Article was defeated by a standing vote of

35 no          27 yes

Motion made by Mrs. Pelletier and seconded by Mr. Alix and voted in the affirmative to recess the 1992 Town Meeting to act upon Article 17, on May 2, 1992 at 10:00 A.M. at the Greenville Town Hall.

Article 18. Motion made by Mr. Hartley and seconded by Mr. Marshall Buttrick and voted in the affirmative to authorize the library Trustees to apply for, accept and expend, without further action by the town meeting, money from the State, Federal or other governmental unit or from a private source which becomes available during the fiscal year.

Article 19. Motion made by Mr. Hartley and seconded by Mr. Wheeler and amended by Mr. Wheeler and voted in the affirmative to raise and appropriate the sum of Four hundred dollars (\$400) to meet expected repair costs library printer or purchase a new library printer.

Article 20. Motion made by Mr. Hartley and seconded by Mr. Charles Buttrick and voted in the affirmative to establish a Capital Reserve Fund for the purpose of replacing library equipment and to raise and appropriate a Five Hundred dollar (\$500) payment into this fund.

Article 21. Other business to legally come before the meeting: a motion was made by Mrs. Pelletier and seconded by Mr. deWinter and voted in the affirmative that the Town vote to form a committee to assess and study the impact of the ADA (AMERICANS WITH DISABILITIES ACT), said committee to be comprised of three Selectmen, one representative each from Highway, Fire, Parks and Recreation, Library, Police Department, and Planning Board, said committee to report to the Town Meeting in 1993.

Shirley Winslow requested feed back in regards to the Street Light committee established at last years town meeting. Mrs. Pelletier reported that the Road Agent, Fire Chief, and Police Chief gave a very good report. A public hearing was held and then she went back as far as 1944 in the Town reports to determine how many street lights had been installed by warrant articles . The selectmen wrote down all the complaints or concerns from those who attended the hearing and those street lights were removed from the list and also any that had been installed by warrant article. Mrs. Pelletier reported that at the present time 42 lights were to be shut off.

Mr. deWinter welcomed Mr. Alix to the board and thanked Larry Kelley for serving as selectman.

Maureen Lizotte, as Greenville School Board Representative thanked the Town for the exceptional attendance from Greenville at last week's District School Meeting.

Motion was made by Mr. deWinter and seconded by Mr. Alix to recess the meeting to May 2, 1992 for reconsideration of Article 17.

Meeting recessed at 2:50 PM

(By Library Board of Trustees)

Article 26. To see if the Town will vote to raise and appropriate a Five Hundred dollar (\$500.00) payment into the Library Capital Reserve Fund for the purpose of replacing library equipment or take any action thereon.

(By Library Board of Trustees)

Article 27. To see if the Town will vote to establish a Community Channel Committee, consisting of five members, to be appointed by the Moderator, to operate and maintain the Community Channel, or take any action thereon.

(By Board of Selectmen)

Article 28. To see if the town will vote to appropriate Five Hundred dollars (\$500.00) for the Greenville Community Channel equipment, said sum to be taken from First Carolina Cable royalties deposited in the General Fund, or take any action thereon.

(By Board of Selectmen)

Article 29. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 12th day of February, in the year of our Lord nineteen hundred and ninety-three.

Theo de Winter, Chairman  
Mary Pelletier  
Mel Tuttle  
Selectmen of Greenville

## SELECTMEN'S NARRATIVE

During the year 1992, the Board of Selectmen was pleased that it was able to achieve the second tax rate reduction in a row. The Board of Selectmen only has direct control over one of the three cost factors which determine the total amount of Greenville's annual budget. The Mascenic School District budget is determined by those registered voters present and voting at the annual School District meeting. To exercise fiscal restraint in the Mascenic School District Budget, it is necessary for the voters to attend the meeting and vote. The Hillsborough County assessment is presented to the Town of Greenville for payment. Selectmen can express their opinion during the budget process, but have no other control over the Hillsborough County annual budget. By law the Town of Greenville must pay its share of the County budget. Only the Greenville town budget is prepared by the Board of Selectmen and presented to the annual Town Meeting for approval or modification by the voters present.

In 1992 the Board of Selectmen was able to reduce the budget for operating the Town of Greenville. The Greenville share of the Mascenic budget was lowered as a result of a reduction in the number of students from Greenville compared to the total number of students in the Mascenic School District. Hillsborough County presented a budget which was increased slightly from 1991.

The Board of Selectmen takes this opportunity to thank department heads and their personnel, whose cooperation was essential in keeping costs under control without curtailing services.

## SELECTMEN'S NARRATIVE (Continued)

The Board of Selectmen regretfully accepted a number of resignations during the year. George Alix resigned as Selectman in June 1992, and the Board is grateful that Mel Tuttle accepted an appointment to fill the remainder of the first year of his term. James Spinney resigned as Police Officer to accept a position in Milford. We welcome with pride Jason Keddy, appointed as his replacement, who graduated from the New Hampshire State Police Academy with distinction. Deborah Stroh and Elizabeth Lankford both resigned as part-time clerk-bookkeeper. The Board of Selectmen welcomes Marion Tuttle as their replacement. Bruce Wheeler, long time Selectman and active in a number of other functions in Greenville, accepted a teaching position in the Newfound School District and resigned as Director of Civil Defense. David Bourgault was appointed as his replacement. The Board of Selectmen takes this opportunity to thank all the resignees for their service to the Town of Greenville and to wish them success in their new positions.

In the course of the year, with the cooperation of the department heads, the Board of Selectmen reviewed, revised, and improved parking ordinances and personnel policies for the Town of Greenville.

The Board of Selectmen takes this opportunity to thank the many Greenville residents who have given generously of their own time to serve on boards and committees and wants especially to single out the Parks and Recreation Committee members for their work on the new pool house, and the Village Improvement Committee for its work on the Village Green and on Riverside Park.

Last but not least, the Board of Selectmen thanks all Greenville voters who cast their ballots in Town Elections, attend the Annual Town Meeting to vote on the Greenville budget and warrant articles and who attend the Annual Mascenic School District Meeting in order to vote on a responsible budget and other matters to come before the voters.

BUDGET DETAIL  
1992 - 1993

Total	\$ 1,967,037

TAX RATE: \$25.22

TOWN: \$ 5.98

COUNTY: 1.71

SCHOOL: 17.53

TREASURER'S REPORT  
1992

Your town treasurer had a routine year when dealing with the various cash accounts. Points of interest are as follows:

I am converting all First New Hampshire Bank accounts to the Monadnock Bank. This conversion was not completed at year end but will be completed soon.

I ended the year with \$500,000 in Tax Anticipation Notes as opposed to \$300,000 at year end in 1991. I have informed the selectmen of the problems involved when seeking short term loans, and they will be taking a more active interest in this problem in 1993.

I would be happy to explain my office functions and duties to any interested resident.

Respectfully submitted,  
Richard S. Eaton  
Town Treasurer

SUMMARY OF ALL ACCOUNTS IN HANDS OF TOWN TREASURER  
AS OF DECEMBER 31, 1992

General Fund Acct. # 113400 SNB	Beg. Bal.	\$ 186,191.73
	Total Rec.	3,870,476.85

## GREENVILLE FIRE DEPARTMENT

### 1992 ANNUAL REPORT

In 1992 the Greenville Fire Department responded to 58 calls of alarm. The following is a breakdown of the calls:

- 2 Structure fires
- 14 Motor vehicle accidents
- 11 Mutual aid calls
- 5 Cover assignments
- 5 Brush fires
- 21 Miscellaneous calls  
ie; alarms, oil burners

The number of calls was down from last year which is a good sign that people are being more safety conscious. We have not had a chimney fire in almost two years.

Our goals for 1992 were not fully accomplished, but we did continue forward. New doors were installed which has helped keep heating costs down. The equipment is slowly being updated to meet the new standards, and the members are constantly training to keep up with new procedures.

Greenville Estates donated a mobile home to the department to be used as a smoke house. This will help particularly with the newer members in getting them familiar with the breathing apparatus.

The Department is working toward building a training center and any donations will be appreciated.

Respectfully,

David Bourgault  
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN  
AND  
STATE FOREST RANGER

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes, and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit before kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

REPORT OF TOWN FOREST FIRE WARD AND STATE FOREST RANGER  
(Continued)

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

Forest Fire Statistics 1992

<u>State</u>	<u>Town of Greenville</u>

Respectfully submitted,  
Charles Buttrick, Town Forest Fire Warden

# GREENVILLE POLICE DEPARTMENT

## 1992 REPORT

In 1992 the department personnel continued to change. Police Officer James Spinney resigned to accept employment with the Milford Police Department. Police Officer Jason Keddy who was a part-time officer with the department was hired as a full-time member. Jason is a graduate of Southern Vermont College with a degree in Criminal Justice. While attending the police academy, he was awarded the "Class Achievement Award".

In addition to Police Officer Keddy, two new part-time officers have been hired. They are Vint Boggis and Shawn Lawler. Mr. Lawler is currently certified as a part-time police officer and started work in January. Mr. Boggis will be attending a part-time police training academy starting in January of this year and will be ready for duty in mid-April. I believe both of these people will be an important addition to our agency.

In 1992 we saw the start of 911 service for the town. For the most part it has been a success. I would encourage anyone who has a problem with communications to contact me so it can be addressed.

The department handled over 2400 calls for service in 1992. Listed below are SOME of the more important types of activities handled.

AUTO THEFT	- 3
THEFT	- 83
SEXUAL ASSAULTS/RAPE	- 9
ASSAULTS	- 58
BURGLARY	- 21
HARASSMENT	- 33
INDECENT EXPOSURE	- 2
LITTERING	- 8
TRESPASS	- 14
DRUGS	- 5
DOMESTIC COMPLAINTS	- 104
DISTURBANCE COMPLAINTS	- 134
DISORDERLY/INTOXICATED PERSONS	- 39
SUSPICIOUS PERSON/VEHICLE	- 110

In closing, I thank you for your continued support of the department. If you have any problems or concerns, please feel free to contact me.

Respectfully submitted,

David L. Benedict, Chief of Police

## ANIMAL CONTROL OFFICERS REPORT

1992

This year the major concern with animal control is rabies. The mid-Atlantic type has moved into our area over the last six months. The major carrier is the raccoon.

All citizens should reduce their exposure to wildlife during this outbreak. This can be done by avoiding animals acting strangely, especially those who appear unusually tame, aggressive or paralyzed. Animals which normally come out only at night, but are seen during the daytime should be suspected of having the disease. These animals include raccoons, skunks, and bats. Parents should warn their children of the above, stressing not to touch or go near any wild animal.

Other precautions people can take is to keep your property free of exposed garbage, pet food, stored bird food or any other open food. Make sure both dogs and cats have up-to-date rabies vaccinations. Remember it is a state law that both these groups be protected.

If you or a member of your family are bitten, scratched or exposed to saliva from a wild or rabies suspect animal, wash the wound thoroughly with soap and water and seek immediate medical attention. If possible capture or kill the animal. Do not damage the head as this is the only area tests can be performed for rabies. After killing, make sure you refrigerate as soon as possible. Report all bites to the Police Department immediately.

Remember your best defense is to have your pets vaccinated, keep away from all wild animals, and remove any food items which would attract animals which are not yours.

Please feel free to contact the Police Department if you need more information or assistance.

ROAD AGENT'S REPORT  
1992

This past year the Highway Department tried to keep within the guidelines set by the Board of Selectmen as the town continues to experience the economic downswing.

We did, however, rebuild and resurface Kimball Heights, which included grinding up the existing surface material down to a depth of 9 inches giving the road a uniform base. Then we applied calcium chloride to reduce the amount of frost penetration followed by laying out 2 to 3 inches of cold mixed asphalt material followed by sand sealing in Fall.

We also shimmed and sealed Kimball Hill Road, East Road, Richardson Road, Old Wilton Road, and several short streets in town.

We are very pleased with the sidewalk reconstruction work being done and hope to do another phase this year.

We have been very happy with the 1988 F-700 Ford dump truck we purchased this Spring and thank you for supporting this acquisition at town meeting.

In closing I thank all of the taxpayers and citizens of Greenville, other departments, my crew and staff, for the support, cooperation, and understanding shown this past year.

Respectfully submitted,

Charles Buttrick  
Road Agent

Parks & Recreation Committee  
1992 Town Report

The Parks and Recreation Committee feels good about another refreshing year at the town pool. Under the competent leadership of our pool director, Jason Gauvin, the staff provided a safe and enjoyable summer of swimming for our town. There are always problems when trying to keep an older facility running, and we thank the staff for their hard work and commitment, without which we could not keep the program going.

Many faces changed this year. We would like to take this opportunity to extend our gratitude to some people who have given much of their time and talents for the benefit of the residents of Greenville:

To Linda Buttrick for her years of dedicated service to the pool and who was not on our staff this year.

To Harold Carta, Bob McCreery, and Mike Staponen, all of whom we served as members of this committee devoting many volunteer hours in this capacity.

As always, we thank Charles Buttrick, Dave Bourgault, and the Highway Department for their never ending help in keeping us going.

A new filtration system was purchased this year. After considering the benefits, we acquired a sand filtration system which should improve the water quality of the pool and also reduce our chemical expense, as the sand is less expensive than the diatomaceous earth now being used and needs to be replaced less often.

PARKS & RECREATION COMMITTEE (Continued)

Our biggest project this year was the new pool house. With countless hours of volunteer effort, we have overcome many problems and are well on the way to having a building of which Greenville can be proud. A huge THANK YOU goes out to Steve Riggs and the Mascenic Builders for a magnificent job. As with any endeavor of this magnitude, much is learned by the participants as they proceed. We all feel that we have cut costs as much as possible without damaging the integrity of a top-notch pool house. Many, many area people have donated their time and have given us materials at their cost to save Greenville many tax dollars. The committee is optimistic about finishing the project with the same support we have received up to now.

Respectfully submitted,

Parks & Recreation Committee

Karen Kielb

Mike Washburn

Kathy Washburn

## Greenville Town Pool Report

The summer of 1992 proved to be a successful season at the pool. We did, however, experience a delayed opening; and unfortunately, had to close early for the construction of the long-awaited NEW POOLHOUSE. The pool director that replaced Lisa Gauvin was Jason Gauvin whose staff consisted of the following: Nathalie Godbout, Derek Ryan, Matt LaRosee, Meredith Lizotte, Marcel Lizotte, and Jennifer Shannon. Occasional substituting was done by Joshua Kivela.

Once again close to 200 children took part in the American Red Cross certified water instruction classes. These classes ranged from Toddlers (ages 6 months up to 5 years) to Adults. These classes were taught by two experienced aquatic instructors, Jason Gauvin and Nathalie Godbout. This year we also held an Emergency Water Safety Course in which several children participated learning how to prevent and deal with water accidents. The adult lessons were not as well attended as was hoped; thus the adult lessons were discontinued. A new program, water aerobics, was established which was widely enjoyed by nearly 20 women during the summer. This program and the instructor, Jennifer Shannon, have received many compliments. This has also opened new interests by the participants who are seeking more aerobic activities. During this program, babysitting was offered by the pool staff so people with families were still able to participate.

This summer Nathalie Godbout and Matt LaRosee coached the Swim Team. The team consisted of swimmers between the ages of 5 and 18. The younger children participated in flutterboard and lifejacket races while the older members competed by swimming the various strokes. The team competed in four meets with New Ipswich and Wilton. The teams competed for ribbons given out at the end of each meet. A special thanks to those parents who volunteered their time as judges, timers, and drivers. As always their help was greatly appreciated.

The second annual Greenville Town Pool Campout was held in the baseball field surrounding the pool. Approximately 25 children took part in the festivities. We had a late night swim and an early eye-opening dip in the morning. The pool staff would like to express thanks to those parents who chaperoned the event.

At this point with the beginning construction of a long awaited poolhouse there is a lot of anxiety towards opening day by myself and others. It is very important that things be handled promptly in order to open those new doors on time and early if possible. In order for this to happen certain things must be done as soon as possible towards springtime, such as draining the pool, cleaning, scraping and painting so that we can be prepared for early season delays. We don't want to let down those wanting to use the facility. Expectations for next summer have already been expressed.

In closing, I would like to thank Justin Lizotte who willingly volunteered his mornings to help with Beginner lessons. His help was greatly appreciated by the instructors and parents. I would also like to thank the Parks and Recreation Committee for all they do, especially Mike Staponen and Karen Kielb who I worked very closely with. Karen is the woman behind the scenes making things happen for all those people that use the pool. She is wonderfully dedicated to keeping the pool running smoothly. My thanks to the men of the Highway Department, especially to Charles Buttrick and David Bourgault for their expertise in operating the pool and for their help preparing the poolhouse for demolition.

The pool staff, myself, and all the citizens of Greenville are looking forward to the opening of the NEW POOLHOUSE.

Respectfully submitted,

Jason Gauvin

CHAMBERLIN FREE PUBLIC LIBRARY  
1992 REPORT

The Chamberlin Free Public Library would like to remind the residents of Greenville that it has books, magazines, video tapes and books on tape available to all town residents with a library card. The Library is a member of several book and video co-ops so there is a revolving supply of these materials. The Library also has family passes to the Christa McAuliffe Planetarium and the Boston Museum of Fine Arts which may be borrowed. Library cards are free and may be obtained during regular library hours.

Due to the continuing over due book problems, the Library has instituted a one dollar handling fee in hopes of recovering some of the costs of calling and then mailing notices to patrons. The dollar is due once the second notice has been mailed. The Library will continue its practice of phoning patrons before mailing the first notice. A twenty dollar fee will be collected from anyone returning the family passes after the due date.

The Library has been fortunate in its fund raising this last year. We earned close to \$1900 in 1992 due in part to the sale of used and rare books and thanks to your generous donations. Over \$500 of the money raised was a gift of the recently disbanded Friends of the Library. We appreciate the funds but are sad to see this organization go. Anyone wishing to start a similar organization should see a staff member. Donations of time or money are always welcome.

The Library wishes to thank the townspeople for their gifts of time, books and money during the past year. Special thanks go to The Preschool Moms who have been providing their time and materials to run a crafts and story hour on Tuesday mornings.

Respectfully submitted,

Chamberlin Free Public Library

## RECYCLING CENTER

We at the Recycling Center would like to thank all the dedicated recyclers who have helped in keeping the concept of an alternative to traditional waste management alive.

1992 has shown an increase in participation from the communities included in the Wilton Recycling Center. We have seen more recyclables arriving here and have been able to recycle a variety of new products. Citizen awareness and care for our environment has helped in removing still more items from an ever increasing trash stream.

This years household hazardous waste day went smoothly, much to the credit of Greenville policy committee member Joan MacPhee. We would like to thank her and all the volunteers for making it the success it was.

The Wilton Recycling Center is one of, if not the oldest, recycling centers in New England, and as it enters its maturity, we hope to continue to be in the forefront of recycling. Over the years, the information that has been gathered here has helped in the development of new technologies and processes in the waste management field throughout the country. We are still looked upon as a model center and our expertise has helped in the creation of new recycling centers in New Hampshire. Keep up the good work.

Respectfully submitted,  
A. Carl Wetherbee, Supervisor

Medical Social Worker	6 Visits	1 Visit
Nutritionist	3 Visits	3 Visits
Office Visits	0 Visits	0 Visits
Child Health Program	10 Children	10 Children
Health Promotion Clinics	12 Clinics	12 Clinics

Total Unduplicated Residents Served: 114

### FINANCIAL REPORT

The actual cost of all services provided in 1992 with all funding sources is projected to be \$61,544.00.

The total cost of services provided for a partial fee, or at no charge to residents in 1992 is projected to be \$6,992.61 for home care.

For 1993, we recommend an appropriation of \$7,500.00 to continue home care services at the current level.

Thank you for your consideration.

THE SOUHEGAN VALLEY AMBULANCE SERVICE, INC.  
ANNUAL REPORT TO TOWNS  
1992

The Souhegan Valley Ambulance Service, Inc. is much more than "just another" department nomenclature! SVAS is a nonprofit corporation provided by area volunteers, consisting of a Board of Directors and Driver/Attendants. We continue to provide quality, professional emergency service to the residents (and any passing through) of the communities of Greenville, Mason, New Ipswich, and Temple. Our Board of Directors is comprised of 11 members, two each from each town and a 3 driver representatives; our driver/attendants are residents of the four towns. All involved are voluntary members of SVAS with the sole purpose of providing this four town community with a viable ambulance service, in return for the cost of this 24 hour, 365 day-a-year service. This budget does not include the construction of our new building on Route 124, New Ipswich, which has been funded and built entirely by extremely generous donations from area individuals, local contractors, local businesses, and the Mascenic Building Crew. This building is not another tax burden to community tax-payers!

In the following year, we will continue to provide efficient, professional service to all residents without individual "run" charges. We will continue to maintain our cost levels for our service so as not to be an extra "tax burden" to the community we serve. We will ask for no town support for our building, but continue to rely on fundraising events and donations from individual residents who appreciate and acknowledge our ever-ready response to each ambulatory emergency within our community.

GREENVILLE MUNICIPAL COURT  
1992 - REPORT

ROBERT TAFT  
JUSTICE

JANICE BLEASE  
CLERK

January 1, 1993

Board of Selectmen  
Town of Greenville  
Greenville, NH 03048

Re: Greenville Municipal Court 1990

Gentlemen;

In 1992 the Greenville Municipal court heard a total of Four Hundred and eighty-six (486) cases. Four hundred and fifty-six (456) were Criminal complaints and Thirty (30) were Civil cases.

The Criminal complaints were as follows:

Motor Vehicle Complaints	313
DWI 1 St.	18
Misdemeanors	55
Felonies	5
Other Violations	50
Driving After Revocation	15
Small Claims	<u>30</u>
	486

Fines from Town Ordinances collected and turned over to the Town of Greenville, NH, \$458.95.

Very Truly yours,

Robert Taft  
Justice

GREENVILLE CONSERVATION COMMISSION  
1992 REPORT

1992 was a successful year for the Conservation Commission as we met each of our set goals.

The five barrels of waste oil abandoned several years ago along the railroad bed were finally removed in September by the New Hampshire Department of Environmental Services.

Riverside Park was cleared of trash, brush, and debris in early summer through a joint effort of the Conservation Commission, the Village Improvement Committee, and other volunteers. As a result, the stretch of the Souhegan River flowing into the Mill Pond is now visible through the trees as one travels between Greenville and New Ipswich on River Street.

The annual spring Clean Up Day held in conjunction with the Boy Scouts netted truckloads full of assorted trash from our roadsides.

Commission members have continued to participate in Souhegan River water quality testing projects this year and to monitor developments concerning proposed major airport sites in neighboring Massachusetts communities. We plan to continue working in these areas and to work on illegal dumping and waste issues facing our town. We also hope to become more involved in local conservation and environmental education.

Respectfully submitted,

Marshall Buttrick  
Joan MacPhee  
Laurie Schlotman  
Jamie Taft, Alternate

## AMERICANS WITH DISABILITIES ACT COMMITTEE

"Title II of the ADA applies to all publicly funded programs, services, and agencies regardless of the size of the public entity. Public entities must achieve program accessibility by January 26, 1992. If structural changes are needed to achieve program accessibility, they must be made as expeditiously as possible, but in no event later than January 26, 1995. This three year time period is NOT a grace period; all changes must be accomplished as expeditiously as possible".

In August Police Chief Benedict attended an ADA workshop in Grand Rapids, Michigan sponsored by the U.S. Department of Justice. He conducted a workshop for the Board of Selectmen and for all department heads, to give an overview of requirements as they apply in Greenville. Mrs. Dorothy Tuttle also arranged a meeting with Maureen Stimpson, Accessibility Specialist for the NH Governor's Commission on Disability, for the Greenville Department Heads and interested guests from neighboring towns.

Greenville is fortunate in the farsightedness shown by the library which provided the Library and Town Clerk's office with handicapped entrances, an accessible restroom in the library, and a handicapped parking space. The Greenville Court room on the ground floor is completely accessible and available for many public meetings and also has a handicapped parking area. The new bath house includes total accessibility as required by law for all new construction. Sidewalk construction in 1992 and proposed sidewalks in 1993 include the curb cuts as required.

The following are our goals; some are already met, others are in the future:

Each department will complete a checklist for existing facilities, detailing current conditions and existing barriers. These checklists are filed in the Town Office.

Some immediate changes will be addressed in a warrant article in 1993.

## ADA (Continued)

Long range expensive changes will be addressed in the future, creation of an expendable capital reserve fund is being presented in a warrant article in 1993.

Your committee will continue to explore ways to accomplish the ADA requirements as quickly and at as reasonable a cost as possible.

### GREENVILLE CABLE TV

Cable TV in Greenville has had a year of change. In the Fall, Showcase Cablevision was sold to First Carolina Cable TV, supposedly with no change in customers' service.

A volunteer committee of 13 was formed in March to administer and program the Greenville Community Channel (37, now 3). Live telecasts of the weekly Selectmen's meetings were given primary attention. Private donations and money from advertising has been used to purchase a new VCR, buy parts, and install cable from the Selectmen's office to the second floor office. Royalties of approximately \$3,000 from the cable company have been deposited in the General Fund account of the Town of Greenville. Until the town authorizes the expenditure of this money, this practice will continue. Please refer to Article #28 in your Town Warrant.

FINANCE COMMITTEE REPORT  
1992

The Finance Committee made an effort to meet with all the department heads and, if possible, tour their facilities. Our goal was to acquaint the committee members with the operations and needs of each department. We went over each budget by line item, enabling us to understand what each line item consisted of.

Most budgets were presented to the Budget Committee at level funding or below, as in previous years.

The committee does support a 5% increase in wages for town employees as they have foregone any raises in the past.

Respectfully submitted,

Bayeux Morgan  
Larry Kelley  
James Branch  
Ann McInnis

# REPORT OF THE GREENVILLE PLANNING BOARD

1992

This year the Board acted on the following:

SITE PLAN REVIEWS:	2
SUBDIVISION APPROVALS:	5
LOT LINE ADJUSTMENTS:	1
BUILDING PERMIT REVIEWS:	3
PUBLIC HEARINGS:	5

These included public hearings for the Country Mile addition and John Wolons' Affinity Auto. Subdivisions were approved for John Testa, Peter Russell, and Blackberry Hill. Town projects dealt with included site plans for the new pool bathhouse and the new park across from the Town Hall. A child care facility was approved and other buildings permits were reviewed.

Respectfully submitted,
